FLEET RENTALS

24’ STANLEY LANDING CRAFT

Our 24' Stanley landing craft is equipped with a fast, quiet, fuel efficient 200hp 4 stroke Mercury outboard. The manual drop down front ramp makes it easy to bring large equipment on board and has an enclosed cabin with seating which makes it perfect for video village. Dual side entry doors make entry and exit dockside easy. Slightly larger than the 22', the 24' can accommodate larger jib arms, small techo cranes and more personnel.

Load Capacity = 8-10 persons with gear
(approx 2400-2800 lbs)
