

FORD F-250 SEARCH & RESCUE TRUCK

Our newest addition to the fleet is our Ford f-250 Search and Rescue truck. This truck comes equipped with a slide out bed with a 1,200 pound capacity, a winch on the front bumper for recovery, side compartments, and EMS lights.

This truck is a perfect picture car for any Search & Rescue operations, tactical scenarios and much more.

This truck can be completely customized as per productions request.
