

## 21' INFLATABLE ZODIAC HURRICANE

*Our large inflatable zodiac provides an extremely safe, high speed, platform used for rescue or support. Twin 70 hp four stroke Yamaha motors make this boat very maneuverable and quiet. With large, inflatable collars, it is ideal for towing and filming alongside other vessels. A must have for filming on the Great lakes and in large, open water.*

*\*\*Doubles as a Police or Rescue picture boat\*\**
